

Horse Saddle Art

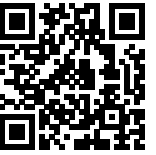

Location **California**
<https://www.genclassifieds.com/x-446599-z>

Ever see art or crafts using a Western Horse Saddle?
Anyone interested in an old Western Saddle for an art or craft project?

Please tell me your idea,

Will give a saddle away for FREE to an artist with a use for an older saddle.
This saddle is not fit to be worn on a horse as the leather is old and out of shape, would have to be totally restored to ride.
