We may never out do the Beatles, but -

Give your love away - not your rooms

KCRoomMates.com

Location **Kansas**
<https://www.genclassifieds.com/x-446623-z>

\$600/mo 6 mo contract furnished, includes everything/ garage space

no pets or smokers, clean professionals

I offer 2.5 furnished bedrooms, 1.5 baths(for room renters), (\$800/mo- \$600/mo w/6 mo contract) or \$700/mo-loft(rented-separated WM 53), furnished, wifi, cable tv, laundry room, 2nd full frig/freezer, living room with 2 story high ceiling & 2nd floor balcony looking down from the loft, peace and quiet, no pets or smokers (cloths with smoke make me sick)

A perfect place for a professional in transition, with a short term housing need, (1 night, 1 week, 1 month to a few months and longer) I am looking for extra money by renting out my extra bedrooms, which I do with experience as a realtor and licensed financial pro, and I myself am in transition.

I am 53, swm, straight, MS BS and lived my entire life here in joco KS, (except college). I prefer intelligent, educated professionals with common sense, and absolute respect for issues in my house, just again, common sense respect, missing in a lot of places with people, respect is a two way street, with every thing in life.

I would like to find good people who are a match, no rush or misunderstanding before we sign any contracts.

My house is close to main highways, lots of shopping, restaurants, entertainment in the area, and a great school district. I am a member of the local Chamber of Commerce.

I have also created a website called RoomMates.com where I have a FREE room for rent to help people where people may advertise room mate type ads, and increase your exposure - feel free to post at KCRoomMates.com also.

Only reply with a phone number, be able to pay 1 month deposit with contract, furnish references, and allow me to copy your ID for background checks, do not contact me if these conditions are objections, I will only rent to people I meet in person first, and then am able to check them out as
