Up for sale is a collectors lot, , old school, first Nintendo ever made system that ruled and rules the 8bit market Nintendo entertainment system in working condition. I also have about 80 games available from 10\$ and up. They are vintage. OKs. Sought after and the most collected out of any other system out there. I can give price cutt you buy more than 1. I am also to trades or partial trades and cash.

any game in this pic is a must have if you are a true collector. I also have loose new decks \$30, SNES decks 35\$, all.
