Like New Selle SMP Pro - White

Like New (used couple of times) Selle SMP Pro - White. There is no signs of use on the seat at all as it was used for only a couple of times. I sold the bike for need of money and here is the seat for the same reason as well.

Asking 180 OBO.

Color: White

Material: Lorica microfibre Dimensions: 278x148 mm Rails: AISI 304 stainless steel

Weight:
