We are a business who pays every day car drivers to drive around with a temporary advertisement on their car. Whether it be your daily commute to work, or a trip to the mall, you will be rewarded \$100/ month of driving. Typically, campaigns range from 3-6 months.

The advertisement we use on your car is professionally applied, and does not damage the car. At the completion of the campaign, we will remove the advertisement. You bring your car in, we take care of the rest.

All potential car drivers **MUST** have a valid driver's license, a car in good condition, and no criminal record.

Apply now at WWW.CARVERTISE.COM by clicking "Driver Application" in the upper right-hand corner.

We look forward to working with!
