**DETAILED DESCRIPTION**  
 This 2/1 Ranch is cozy and efficient, with exactly what you need to live comfortably both inside and out. Color and texture dominate the urban-rustic kitchen, with rust-and-slate-blue faux tile on the floor, hickory-colored Shaker-style cabinets, and free-standing stove and fridge each in its own shade of white. A modest eat-in area has two windows letting the light shine in, and the stainless steel dual-bowl sink is equipped with a spray gun for easy cleaning.

---

In the bathroom, the same faux-tile as the kitchen provides a powerful visual contrast to the all-white of the commode, vanity, and tub. Three built-in ledges offer plenty of toiletry space in the tub itself, and the vanity and medicine cabinet complete the storage trifecta.

The living room is comfy, with an oversized picture window along one wall and white trim accenting the easy-on-the-eye-tan of the painted wood walls. A small white tile entryway gives you space to remove your shoes without muddying the carpet, and the archway to the rest of the home is uniquely angled for a geometric effect.

The bedrooms feature the same walls and carpet as in the living room, but are graced with one closet and two windows each, making for a deceptively light space.

Outside, the generous back yard is fully fenced, with a small shed for your gardening, lawn mowing, and other storage needs. A clothesline awaits your pins and laundry, and a few trees offer shade from the weather. Out front, the small porch is the perfect place for a plant or two, or just a patio chair to enjoy an afternoon's coffee.

Rent is \$725 per month and the security deposit required is 1 to 1 1/2 months depending on qualifications.

Viewing is by appointment only and you can move in immediately.
