**DETAILED DESCRIPTION**  
 This comfy 3/1 Ranch offers a large fenced-in back yard that backs right up to part of Kennedy Park.  
 The front door opens into a small landing with coat closet.

---

Refreshed hardwood floors welcome you into the living room with a large front bump-out window bringing in light to make it feel even more spacious. Or you can draw the vertical blinds for more privacy.

The eat-in kitchen is spacious with plenty of oak trimmed beige cabinets, a stainless steel sink, microwave, fridge & gas stove. A pendent-type light fixture sets the tone for the dining area.

On the way to the back of the home and the bedrooms there's a small area that would be perfect for an office.

The bright bathroom will start your mornings off right with fresh orange tile everywhere, a brand new white vanity and freshly refinished tub.

All three bedrooms have fresh paint, hardwood floors and one has a door leading to the back yard.

The basement is almost as large as the entire upstairs and is one large space, ready to fill a role as storage, workshop, rumpus room, utility closet -- or any combination of the above. The washer and dryer are in the basement, as is a huge two-sided utility sink for your big janitorial jobs.

Rent is \$850 per month and the security deposit required is 1 to 1 1/2 months depending on qualifications

Viewing is by appointment only and you can move in immediately.
