

siding installer (cincinnati)

Location **Kentucky** https://www.genclassifieds.com/x-446845-z

I need 1 person to help with siding install. This is a 1-2 day job for somebody who truely knows what they are doing. I am done dealing with people that say they can do something and want to work but either don't show up or have no clue what to do. If you can hang siding and install cool trim fast and correct I can use your help. I will pay \$14 he cash paid at completion of job. If you show up and can't do the job you will be sent away with nothing. Job starts in morning need to get help scheduled.
