College Student With Open Availability for Childcare or Nanny Position (West Hartford

Location Connecticut https://www.genclassifieds.com/x-446874-z

Hello,

I'm currently a Junior at the University of Connecticut. I'm 19 years old and have been babysitting since age 12. I have watched children between ages 2-13 with the maximum of five children at a time. I enjoy doing hands on and/or spontaneous activities with children such as being outdoors, cooking, baking, arts and crafts. I have no problem doing light housework, running errands, etc. and I do have my own reliable transportation. My availability is currently fairly open for the summer. Depending on the needs of the family and the location, I may be available during the school year as well.

I frequently spend a lot of time around younger children and enjoy doing so. I see myself as a role model and well as someone fun to be around. It's a pleasure working with children and all of the children I've worked or spent time with have enjoyed myself and the activities we do.

If interested, please feel free to contact me should you require any more.
