Hi! I'm a 27 year old female looking for some girl friends to hang out with and do activities. I'm from the area but many of my friends no longer live around here or have different schedules. I'm not a weirdo, just very busy. I'm usually juggling grad school, work, and whatever else that needs to get done so my social life usually takes a back seat. I'd love to meet some more female friends and get out of the house. FYI I'm mostly free during the day but might have some nights off as.
