If you are looking for a really sweet and helpful au pair -- Mayeline is your gal. She is from Colombia, is 22 years old and has a sweet and sunny personality. She has been so helpful in the last few days. She has been in my home and shown initiative in finding the things that need to be done. Mayeline has her international driver's license and is a safe driver and followed the rules of the road when I took her out driving. She just needs to practice some more to be really confident for highway driving. She is ready to join your family immediately and looks forward to a great year together with a new host family.

If you would like to interview Mayeline, please contact Marie:
