

## Needing Flexible Daycare (96th and Harrison)

Location

Iowa

<https://www.genclassifieds.com/x-446896-z>

I am seeking flexible, dependable, loving care for my 3 year old daughter starting as early as June 1st. Hours would need to be somewhat flexible as I don't have a conventional schedule. Monday, Tuesday, and Wednesday drop off would be around 10 am (depending on location from my workplace) with pick up usually around 5:30 pm on Monday and Wednesday. Thursday and Friday drop off would be around 7 am. Pick up on Tuesday and Thursday would be around 8 pm-8:30. Pick up on Friday would be around 5:30 pm-6. I live near 96th and Harrison and work near 90th and Dodge, so I would be open to anywhere in either area. If possible, I would like to stat within the price range of \$130 or less per week for care. If you think that we could work something out please message!
