Hi there!

I have experience caring for newborns through 16 years of age. I am 19 years old, but have a lot of younger cousins and siblings that I have helped take care of as they were growing up. I am NOT CPR or First Aid certified, but I know what to do in case of an emergency. I am fun, loving and caring. I enjoy crafts and music. Reading to children is also one of my favorite things to do, besides having them read to me. I love being outdoors and doing all sorts of fun activities. I have always been great with children and children have always seemed to enjoy my company as well. If you are interested in hiring me to care for your child(ren), please know that I will be needing the following dates off:

>June 22nd-28th

>July 10th

I hope to hear from you soon! Thanks,(:
