His name is Rascal. I'm moving and I can't take him with me. He's great with kids and other dogs (not sure about cats). I've been trying to potty and house train but he hasn't gotten the hang of it. I'm looking for someone who has more time to spend with him and is able to train him. Rehoming and adoption fee will be 400 or best offer to make sure he is going to a good home. for any more details or information please call or text me
