Moving your whole home or office, acquiring an appliance, an upright or Grand piano, a hot tub, a pool table, building materials or some select furniture - but need help?

From house to house or door to door?

OR ...

Do you have a twenty to forty foot container that needs to maximize the use of it's space when loading or minimize damage when unloading? Maybe a POD, truck or trailer?

We have appliance grade hand truck's, box dollies, four wheeler's and piano board, professional furniture pads, rug/stair covers, corner protectors, basic tools, magnesium and fiberglass walkboard's to help get the job done SAFER and FASTER. Recently, we acquired a twelve foot aluminum walk board specifically for getting into overseas containers. Liftgates available.

Charge only from the time we START at your old residence or origin until we FINISH at your new one, REGARDLESS of where you are on the island.

We can be virtually anywhere on the island by 9 o'clock.

~~We have the SECURITY CLEARANCES and documentation required to pick up or deliver at any port.~~

"Wil did an amazing job for me. Not only was he extremely professional and prompt, but his humor and great attitude kept me calm and laughing. It was a big and difficult job. When a huge, heavy armoire couldn't fit through a door, he came back the next day and kept at it until it made it!

Also, he was very reasonably priced.

I can't recommend him highly enough."
