Photographer looking for well-built, masculine, muscular males, preferably with a hairy body, for photography shoot, working on my portfolio. You can help me out and I can give you copies of photos for you to use. No experience needed, but just be comfortable showing off your physique, bit of a exhibitionist.

This is an on-going search, so if you're not sure now or don't have the time, feel free to respond later.

This for TFCD, copies of the photos on a CD, for this initial session only.

Please send description or photo of yourself, your stats-age,wt, ht, etc, and where in the area you are located and when you are available .

Feel free to respond anytime, always looking for new faces and built bodies, so get in touch!
