

screenwriter seeks assistant (Harvard Square)

Location **Massachusetts**
<https://www.genclassifieds.com/x-447043-z>

I'm visiting from Los Angeles, and I'd like to hire someone for 20-50 hours this week to help with transcription and organization. Ideal candidate is organized, a fast typer, and has an interest in movies.

If interested send resume and a brief blurb about yourself. For extra credit, include how many WPM you can type. For extra extra credit, tell me who the head of CAA.
