Aloha,

I'm a stay at home mom that is looking to care for 1-2 children. I do have three little ones (2,1 & 2mo old) along with a 6 and 7 yr old that attend public school. I can provide short term care and drop in services. I will be able to provide 2 healthy meals and 1 snack. Parents will provide diapers, wipes and change of clothes. We are also a cloth diaper friendly family (: We are a very active and loving family. Please feel free to contact me with any questions that you may.
