

looking for patient spanish speakers

Location **Michigan**
<https://www.genclassifieds.com/x-447116-z>

Hello. I am looking for someone to help me learn spanish. I attend a group meeting twice per month , and looking for people to practice with regularly. I am not picky on nationality/accent, however i am not too interested in learning slang. I am looking for proper grammar and pronouncing speakers only, as i will be using Spanish mostly in formal settings. Call or text anytime. Thanks
