Adventure Guide Job Description

Are you looking for a fun rewarding experience? City Hunt's number one goal is to provide fun experiences for our clients and employees. We host the world's awesomest team building and scavenger hunts.

City Hunt, a team building and team bonding company, is looking to hire new Adventure Guides to assist in hosting our "Amazing Race" type corporate adventures in Omaha.

We are looking for someone to join our team who is technologically savvy! Can you think on your feet, can you handle a technology crisis? You will provide trouble shooting support, engagement with clients through our state of the art Scavenger Hunt App, exporting photos and videos, creating slide shows and so much more! (App Features: Real time comments, spying, leader boards, messaging and so much more!)

Qualifications:

- Love to have fun
- Highly responsible and punctual
- Excellent people skills
- Able to problem solve quickly and effectively in high pressure situations
- Improvational skills
- Experience in educational instruction a plus but not required
- Corporate training or Life Coaching background a plus but not required

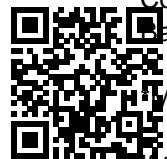

College degree a plus but not required

Basic computer skills

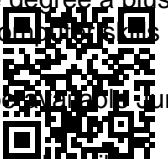

Must be available June 9th for training*

If this Job describes you please follow the directions below to apply.
