## **Creative 20**

Location **Minnesota** https://www.genclassifieds.com/x-447158-z

I'm an animator, game designer, and generally odd person. I'm looking for somebody else to live with who will want to live in a creative environment and live goofy, awesome lives. Not a "party people" I love bouncing ideas off other people, and am ready to live with somebody who knows the value behind creativity. I hope to hear from you soon, you beautiful bastard, you. Text me at 20ne8 2nine eight 16zero.,
