My two housemates and I are looking to move out of our sober house soon!! We are ready to get on with the next phase of our lives!! Our ages are 21, 23, and 26. We all have full time jobs and are responsible adults. Unfortunately, our pasts have followed us in regards to credit scores, etc.. And it's hard to find a decent place.. If you have a 3 br/2 bath home or apartment in St Paul for \$1600 or less per month, we would really like to have an opportunity to check it out. Our goal is to move into our own place by July..
