Quality Childcare provided in my Mason home!!!!

I've been providing in home care since 2009. I'm a Mason mother to 4 children, ages 17yr,14yr, 8yr & 12 months.

I'm currently interviewing for the 2015/16 school year. I offer homemade meals, snacks, and a nurturing environment. I have a fenced in back yard and my home is pet and smoke free. I have 1 opening for full/part time care next school year (and beyond). No newborns at this time please. Ages 12 months and up preferred. My home is conveniently located near Pine Hill Lake Park and we are on the A.M. bus route for MECC kindergarten/preschool next school year. This bus picks up in front of my home.

Right now my hours are 7:30am-4:30pm-ish. These are geared to suit the needs of the teachers I do/have done childcare for and it works great for my family also.

I'd love to hear from anyone to see if this would be a good fit for your child and myself. Also open to before/after school/half day care.

Excellent References available. Please email me with your childcare needs.

Serious inquiries only. Absolutely no.
