Im a 26 year old fit man. I have been doing photography for a long time now but nothing professional or got paid for. I do a lot of landscape pictures and object pictures but i have been getting more interested in model photography. I am looking for a fit female model between 18 and 30 that would be interested in posing for me in creative artful ways that explores the fun and sensuality of the body. Must be comfortable with your body. the photos will consist of different states of undress including lingerie, swimsuit and nude. Remember i am not experienced in this so im not expecting you to be. If you are great if not great. It will be laid back and slow going. These photos wont be distributed they are just for practice and im fine with us hiding your face in the photos if you want. Send me a email if your interested with a couple of photos clothed is fine and we can talk about pay and i can answer any questions you might.
