love working in the health and wellness industry ? do you love working with people and improve thier lives? Are you friendly? would you like to make money while doing something your passionate about? working in the health and wellness industry will give you opportunity to do so.
we are health and wellness consultant working here in the twin cites.
We are looking for individuals who are self motivated and passionate and who wouldn't mind making extra money working part-time or full time.
Working for us, will give you the opportunity to own and operate you own business.
Training will be offered to set you up for success.
For more specific detail on how to start making extra money with owning your own business,
Please contact:

and ask for Monica
or contact

and ask for.
