

Carhardt brown wallet (MinneapolisCrystal)

Location Minnesota

I lost my wallet on Saturday May 9 or Sunday May 10. It contained money, insurance card, debit card, license, school id, and that is about all I can recall carrying in it. I had recently moved and not changed my address (license) as of yet. Unfortunately the cash was all I had and the cards in the wallet are things that I am in dire need of. I worked both days and lost it either in the scrapyard district of minneapolis or of douglas/medicine lake rd in crystal. I would be easy to identify since it is my ugly mug on the license and school id. Thanks for reading.
Sincerely,
A dumbass that wore sweat pants with no back.
