

LOST CAT

Location **Minnesota**
<https://www.genclassifieds.com/x-447431-z>

Our 10 month old kitten, Sousa, has been missing since Friday afternoon. She was last seen at Cohansey Street and Cottage Avenue in St. Paul. She is a mottled tortoise shell, still has her claws, where's a lime green collar with her ID and rabies tag, and is microchipped. She's extremely friendly and curious. Please help us find our baby, we are missing her so.
