Hey, I'm Trey. I looking for one photographer to get video of me so I can look at my surfing and improve it for competitions and send some video to my sponsors. I cannot pay you in money but can give you some wicked hi-fives or surfing lesson if you like haha also if you surf or want to be photographed, I could take video or pictures or whatever for you in return. If you like see my work, I attached some photos that I took and you can follow me on instagram @discue . I live in kapolei so i'm looking for someone kinda close but i'm willing to travel when I can afford some gas. just lmk if you like paddle out with me, call or text or email.

Thanks ah
