## My Risk-Free Home Seller Program

-Sell your property yourself, while it is listed, and pay no commission.  
How you benefit: Having the ability to contribute and get value back for your efforts. You can run ads and hold open houses if you wish. This does not apply to a buyer exposed to the property by my office or another agent.

- Easy Exit Listing Agreement.

If for some reason I do not provide 100% satisfactory service, just let me know. I promise to remedy the situation within 24 hours. If you are still not satisfied, I will release you unconditionally from the listing agreement with no further obligation.

-NO additional fees of any kind.

You only pay a commission if I procure an offer that is acceptable to you.

### -Communication Guarantee

You will receive constant communication with 24/7 online buyer feedback available. If you are not 100% satisfied FIRE ME!

### -Flexible Commission Schedule

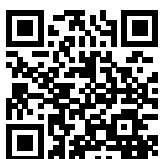

Many dealers have a variable commission schedule that is just as much win-win as it is fast-paced. Here, the Seller's offer is \$100,000. The commission varies depending on when the buyer signs, which sets the date and whether or not in selling your car home.
