My Risk-Free Home Seller Program

-Sell your property yourself, while it is listed, and pay no commission.
 How you benefit: Having the ability to contribute and get value back for your efforts. You can run ads and hold open houses if you wish. This does not apply to a buyer exposed to the property by my office or another agent.

-Easy Exit Listing Agreement.
 If for some reason I do not provide 100% satisfactory service, just let me know. I promise to remedy the situation within 24 hours. If you are still not satisfied, I will release you unconditionally from the listing agreement with no further obligation.

-NO additional fees of any kind.
 You only pay a commission if I procure an offer that is acceptable to you.

-Communication Guarantee
 You will receive constant communication with 24/7 online buyer feedback available. If you are not 100% satisfied FIRE ME!

-Flexible Commission Schedule

This agent has a flexible commission schedule that is paid much with a cash-out-packet. The Seller has the option to offer the commission as a deposit to be paid when the home is sold. This is the most flexible method of selling your home.
