Hello and thank you for looking at my post. This is a bank Repo'd one owner (and it shows throughout). For those of you who know the name says it all. This is one of the industry leaders they set the standards for other manufacturers. Just one and you'll see the quality built into every one of these trailers nothing was left out. This is one of the most beautiful rv's you'll find anywhere. This still smells new all the appliances look as if they have never been used. The carpet and tile looks like it has never been walked on. if you went out and bought a brand new one (\$109,000) it wouldn't be any cleaner. Even the storage compartments look new. This has the all seasons package and the all aluminum frame with fiberglass exterior. This trully is a beautiful trailer. Retail on this trailer in average condition is over \$29,900 but you can get this one for only \$23,900 and this is in pristine condition!!!! And yes I would love to talk with you about your camper as a trade. thanks again for your time, Lee

give us a chance to earn your business, shop us first or last just allow us the opportunity to earn your buisness. Let us help you with any of your rv needs. Remember no one will sell you a rv as cheap as a bank trying to get it off thier books. We Have the cleanest RV'S that can be found anywhere NO!!!!
