Clean my above ground pool (Crown Point, IN)

Location **Illinois**

https://www.genclassifieds.com/x-447610-z

Would like someone who is knowledgeable about swimming pools and pumps to come out to clean the bottom of the pool and who can put sand in the pump. I am not asking you to open the pool, the top will already be off and we will put the chemicals in ourselves. We just need a good cleaning first, will help out if necessary. If you cannot reach me at the number provided you can either leave me a message or if you prefer you may send a text to the following number
