

# Electrician needed (southwest)

Location **Illinois**  
<https://www.genclassifieds.com/x-447611-z>

I am looking to get some electrical work done at my home. I have 3 bedrooms upstairs with a light switch does not turn the light ON. I have to pull the string by the light fixture to the turn the light ON. I have unscrewed the switch and I see wires so seems like it's already wired except that it might be wired incorrectly or wired to something else.

Please provide an rough estimate. I am located southwest.
