Location **Maryland**

Seeking: One or two additional awesome roommates to share a place together.

When: Mid-June to early July (ideally).

Where: Columbia. Also considering North Laurel, Ellicott City and other surrounding areas.

Type of housing: House or townhouse with ample parking and plenty of room for stuff.

Rent: Flexible.

Preferences: No smoking, no cats, and no smoking cats please. Other furry friends may be OK.

Who we are:

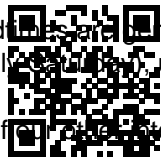

Two friends (men) in our mid-to-late 20s; an accountant and engineer. I've been living with my landlord (whose girlfriend is regularly over on the weekends) and her daughter for a while now, but she's selling the house soon. Thus prompting the quest to find a new place to call home.

I'm an atheist, prefer to spend my weeknights alone, and cook approximately once a week (not including breakfast). Be forewarned that some people may consider some of what I cook to be weird or overly spicy.

Our bedtimes are generally between 10:30 pm and 11:00 pm and during summer and usually later in the weeks. I will typically have a few pages open on the nightstand (probably 2-4) and usually for fun games. I say "fun" and then there they also have fun party on the nightstand.

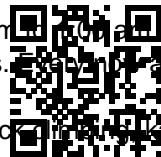

Some of our other interests include singing, room dancing, karaoke, reading, video games, playing gingerbread houses, art projects, one half of us likes to try new foods.
