I am an Independent Agent and Recruiter for one of the largest Internet Modeling companies in the world.

We are currently on the search for new, fresh, fun talent. You must be 18 years of age or older to begin to qualify. If you are looking for a fun job that you can do from home just a few hours a week, or full time even, that is very rewarding financially then this may be a good fit for you.

Please, e-mail me, Emmy, with the word "model" in the subject line for consideration. I will send you an online application, 100% confidential, for you to submit to our hiring department.

Serious inquiries.
