Laughter for  
kids of all ages.

Looking for something new and different to entertain families at your next event? Try the Mighty Magic Pants! A group of four musician/comedians who love kids, the Mighty Magic Pants create unforgettable performances that keep people of all ages laughing and learning.

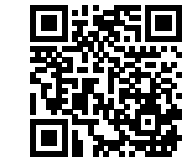

Based in Lincoln, Neb., the band travels all over the region to perform at fairs, church events, schools, community events and more. Our shows combine music, poetry, comedy and general silliness to entertain young and old covering everything from Nebraska history to space flight to stinky shoes and moldy pizza.

The Parent's Choice Award winning Mighty Magic Pants have been featured at Lincoln Children's Museum's Music and Mozzarella, Lincoln Saltdogs games, the Nebraska State Fair, and many other venues around Nebraska.
