

Handyman Needed (St Jacob, IL)

Location **Missouri**

I'm looking for a handyman to do some miscellaneous work that wasn't completed by my previous contractor; to include some trim work, put up a venetian blind, minor painting, etc. I also have a few other things I need done. I would need the work completed on Saturday, 23 May from noon on. Let me know if you're interested and how much you charge per hour. If all works out, I have several other projects coming.
