

Computer Issues, Call The Pioneer Only Charging 40 Dollars (Boise, Eagle, Meridian)

Full Scale Computer Service, Only \$40.00 Per Computer

I started PCS about two years ago, and am always trying to stay current with the latest technology. I have been fixing computers for over 7 years. I try and provide the best quality service I can. I am quite good with Computers and Electronics, so if there is something that you need help doing or fixed, I might be the guy. I only Charge \$40.00 for Any Computer Problem. As well as offering very affordable pricing on other services.

Services Offered

- Computer Repair, Hardware and Software
- Viruses, Spyware and Malware etc., Removal
- Installing and setting up High Speed Internet, along with all other kinds of Internet
- Installing routers, wireless and wired networks
- Installing programs and configuring them to work for you
- Putting in new parts, such as DVD Drive, Ram, Hard drive, Power supply, etc...
- Setting up Dvd Players, Blu Ray, TVs and almost all Electronics
- Operating System Upgrades
- Setting up Stereo Systems and Surround Sound Systems
- Installing and Optimizing Antennas and Satellite Systems
- Fixing Tablet & Smartphone Problems of Any Kind

If you looking for someone to take their time and consideration into fixing your computer, then I am that person. I don't treat customers like they are just another number, and I don't cut corners when I do repairs. When I take on a computer, I fix problems as if they were my own.
