I am an educated, hardworking, honest & motivated contractor looking to assist my clients anyway that I can. I enjoy what I do and take pride in my work, making sure all details and aspects are discussed, and fulfilled to the best condition possible. I have experience and certification in many avenues including but not limited to: Minor/Major Construction, Property management, Drywall/Sheetrock, Plumbing, Electrical, Foundation work, Remodeling, yard work, Painting, Siding, etc. I have been doing this long enough to know, too many people get taken advantage of on both ends. I am fair honest, and will do everything in my power to offer the best work and rates possible. Please contact Jade anytime with any questions, to discuss your project more specifically or to schedule an estimate. I look forward to working with you!

Please text or email Jade anytime to discuss your job further, or set up a more formal estimate! We look forward to hearing from you!
