I do this because I love it. I've been working as a contractor for other people for most of my life, and I got to a point where I was tired of seeing veteran's and elderly people taken advantage of.

I take a lot of pride in my ability to work within a budget, no matter what the budget, and to help people with things that they may not have the means to do.

When it comes to "handymen" I consider myself one of the elite. I perform sheetrock, minor/major construction, plowing, yard work, siding painting and have extensive background in Electrical and Plumbing. I am more than qualified to service all of those avenues.

If you want someone who is going to work hard, within your budget, and get the job done right, the FIRST time, then call me. I am happy to be your household name for all of your home improvement projects.

Call, e-mail, or text Jade anytime to schedule an estimate or discuss details further!

Kind Regards,  
Nick
