

# Looking for someone with large flatbedruck or trailer (Winterport)

Location **Maine**  
<https://www.genclassifieds.com/x-447996-z>

Looking for someone to help out delivering new lobster traps around coastal Maine. Mainly MDI, Deer Isle and Downeast Maine. Could work into a regular thing if I found the right person. Looking for someone with a truck and or trailer combo that can carry 100 traps at a time. I would pay you by the hour and the mile. Some physical labor/lifting is required. Please e-mail or call.
