

# my dog needs a new companion (boise)

Location

Idaho

<https://www.genclassifieds.com/x-448025-z>

My lab/ ridgback is in need of a new companion, our other dog got taken or hit, she is so depressed and she would need a medium to large breed of dog. Wanting a puppy so she has time to adjust to a new companion. We also have 3 kids, so if anyone has a puppy that isnt expensive because we werent expecting to lose our other family member and sobt have the money to save right.
