FOSTER LOCATION: Meridian, ID

Pax and his buddy Esl lost their home when their human mom passed away. They are both now trying to find a new home.

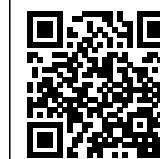

Pax is a 6 year old, 10 pound Chihuahua mix and just a nice, sweet little guy. He is for sure a lap dog and loves to jump onto your lap and cuddle and spend time with his humans. Pax would do best in an older household that is quiet and calm as that is all he has ever known; no kids please.

Pax is house trained, crate trained, walks pretty well on a leash and enjoys a short walk to 2 every day. Pax rides really well in the car and likes to "go".

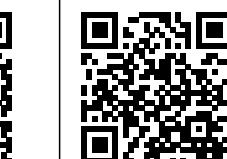

This little guy does pretty well with other dogs; he has met 1 cat and he did pretty well so we think with a proper introduction he would be fine.

If you can offer Pax a home that will love him forever you just need to complete an adoption application at: <http://fuzzypawzrescue.com/adopt/adoption-application-2/>

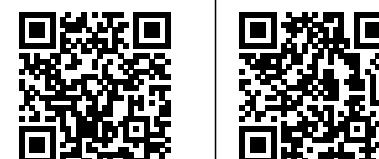

There is a \$40 adoption fee for Pax  
Pax has been neutered and vaccinated.
