FOSTER LOCATION: Emmett, ID

Hello my name is Belle!

I'm a 2 year old, 16 pound, black female and I'm in need of a home of my own. Yeah, yeah I know what you're thinking, "16 pounds, honey you need a diet"; I say there is just more of me to love!

I lived behind a restaurant for a while (maybe there is where I found my love of food) but then was found by a nice lady. As much as I like her she is only my foster mom and wants me to have my very OWN family.

I live with two other cats a boy and a girl we all get along great, I love them! I've never been around dogs that we know of, but my brother (who has already been adopted) is living with a dog and he seems to enjoy it.

I like to sit with you, be scratched and will be your best friend if you give me a chance!

I do worry I won't get adopted because I am one more black kitty up for adoption (boy is there a lot of them) I day dream about my own family. I know if you just met me you would fall in love with me!!!
