FOSTER LOCATION: Emmett, ID

I was living behind a restaurant finding food scraps whenever I could just to survive; at only 3 years old it wasn't easy -- I had no clue how to live on the street. Lucky for me a nice lady took me in, made sure I was health, gave me lots of yummy food and a soft comfy bed to sleep on.

I am kind of a shy girl but I'm VERY SWEET, I've gained a lot of confidence since I was found but I still prefer calm, quiet people. I would love to be a part of a family who would just let me sit with them, give me treats and let me love them in my own quiet way! Don't get me wrong, I'm just shy and once I know you are nice to me I'll give you love back 10 fold.

I love cat treats and scratches, scratches are one of my favorite things. If you have treats your my best friend! The lady who took me in gives me treats twice a day and I can hardly wait to get them. I am a small girl with big round green eyes and they kind of have a twinkle to them!

I live with two other cats a boy and a girl and I love them both very much! I've never been around a dog so I'm not sure if I would like them or not.

My one wish is to have a family of my very own. I know if you meet me you will fall head over heels in

love with me!!
