## **GenClassifieds.com** Super Cute Min PinChi Mix seeks new home (Fuzzy Pawz Rescue)

Location Idaho https://www.genclassifieds.com/x-448035-z

FOSTER LOCATION: Meridian, ID

Esl and his buddy Pax lost their home when their human mom passed away. They are both now trying to find a new homes where they will be loved and cared for.

Esl is a 6 year old, 10 pound Min Pin mix and just a nice, sweet little guy. He is for sure a lap dog and loves to jump onto your lap and then will turn his face so you can kiss him. He likes to cuddle and spend time with his humans. Esl would do best in an older household that is quiet and calm as that is all he has ever known; no kids please.

Esl is house trained, crate trained, walks pretty well on a leash and enjoys a short walk to 2 every day. Esl rides so-so in the car but gets a bit nervous so he does best if he is seat-belted in or in a crate.

This little guy does pretty well with other dogs; he has met 1 cat and he did pretty well so we think with a proper introduction he would be fine.

Of you can offer Esl a home that will love him forever you just need to complete an adoption application at: http://fuzzypawzrescue.com/adopt/adoption-application-2/

There is a \$40 adoption fee for Esl
