Computer Tech (12, USD)

Location **Missouri**
https://www.genclassifieds.com/x-448092-z

Now offering 24-48 hour turn around time on most systems.

All prices are half off of what Best Buy / Geek Squad charge.

Computer technician specializing in virus/spyware removal, system clean up, system performance, hardware replacement, network setup, hard wiring new construction or existing buildings, wireless setup w/security, and overall system performance. I am servicing the STL metro area. I am available Monday through Friday evenings and can be reached on the weekends. I have over 15 years computer experience including working for Geek Squad, big .com companies, and the US government.

Please call to further inquire about services. 618-58zero.
