Computer repair service that is! If your computer is broke, slow, needs upgrades, has a virus, or just needs backing up, contact me and set up an appointment to get that thing working. Most companies will charge \$\$\$ just for taking a look and then try to tell you need this and that. Fast service. Most Done in one HR.I take drop offs 7 days a week From 9 am to 9 Pm. over 10 years exp. and have references if you need them.

I will only charge a flat rate of \$25.00 to take a look and/or fix it. You will only need to purchase the parts if needed. * see web site for Further pricing Like parts Ect* No other hassles or headaches! I Often Keep Many parts on hand For common issues. Drop offs 7 days a week from 9 am to 9 pm!!

Now Offering Remote Clean up And Online payment Options... And For Those Who have a Friend or loved One With Computer Issues Gift certificates with no expiration date. Now you can have all service done from the comfort of your own Home.
