

Seeking a totally normal woman who loves the idea of having a Daddy (Manhattan)

Location **New York**
<https://www.genclassifieds.com/x-448131-z>

Hello -

Are you an educated, totally normal, clean, attractive female, who (secretly) loves the idea of calling a guy 'Daddy' behind closed doors?
Does this dynamic really excite you?
Would you like to explore this, in person, with a similar boy-next-door type of guy, on a regular basis?
If so, please tell me something about yourself and let's see if there's chemistry between us.
Thanks!
