Our Pitbull princess Kiah was stolen from our shop a couple weeks ago. They kept her 5 days and then dropped her off at doggie jail, and we are afraid it is going to happen again. So, we are trying to find her a good loving home. She is very loving, friendly, gentle, good with kids, loves to ride in cars, loves to cuddle and be loved on. She will be 4 years old May 31 but still loves to play like a puppy. She is a big pitty around 80-90 lbs. I will be interviewing anyone that is interested in giving her a new home. I have had her since she was 5 weeks old and want to know that she is going to be loved and cared for like we have she's not just a dog she is family. It breaks our hearts to let her go but we want what is best for her and having to be tied up in our shop all day is not what is best for her. We would take her home with us but can't do to having 2 other dogs at home. If interested please call me and set up a time to see her and talk with us. She will be spayed on May 27th so she will be available after that. She is up to date on her shots and is micro-chipped We are asking a new homing fee of .
